Education	High school Bachelor's degree Master's degree
Religion	-
Finance	Rich

Family

Mother	Rayla Serel (Sick housewife, entered cryobiosis)
--------	--------------------------------------------------

Relationship with her	Good. He loved his mother and took care of her. She had a weak body.
Father	Lucas Serel (Company owner, researcher, died from overwork)
Relationship with him	Admired his father. Distant because his father was always busy. Also, disappointed that his father couldn't save his mother.
Naming reason	The one who will bring light to the united-race
Siblings	-
Birth order	First
Relationship with each	-

Attitude

Most at ease when	Everything under control
Ill at ease when	Things don't go as planned
Priorities	Family Goal
Philosophy	"Once the united-races can become a god, it will be the day that death cannot take away our love ones"
How they feel about themselves	He shouldn't waste a single day
Failure they would be embarrassed to have people know about	He doesn't have a talent or skill in alchemy, and also has a hard time learning it.
Why?	Being the son of his father, the great alchemist, he felt like he was a failure.
If granted one wish, what would it be?	Discover the elixir of life
Why?	To transcend all living being

Personality

Greatest strength	Determine
Greatest weakness	Naive
Their soft spot	When someone talks about how they care for their family.
Is the soft spot obvious to others?	Yes, he would start talking about his family especially his mother.
If not, how do they hide it?	-
Biggest Vulnerability	When someone tries to sabotage his mother's cryobiosis capsule.

Traits

Optimist or pessimist	Pessimist
Why?	He used to be optimistic. All things were going well until his father died.
Introvert or extrovert	More extrovert
Why?	He shares his thoughts and feelings with his family and close friends because he thinks that's the good thing to do between family and close friends.
Daredevil or cautious	More cautious
Why?	After the death of his father, many people in the company tried to use him, but he was smart enough to not let them trick. The elixir of life shouldn't be in the hand of an unethical businessman. He has to be careful.

- ""

Trivia

- Isn't skilled with alchemy, but good with business.
- He would consider killing the lab employee he fired because he was afraid that the information about Ichor would get into the hand of bad people. He thought that their death is justified for the greater good. And he would bear and endure all the sins.

Design Note

- This character was designed to be a subtle representation of Thoth in Egyptian mythology.
- In Hermopolis, Thoth led "Ogdoad" the 8 primordial deities.
